

HAPPY JUNETEENTH

THANK YOU FOR SHOWING UP ON MAY 28TH

Y'all brought the energy, the love, and the proof that when we move together, we move mountains. Now let's turn that energy into **VOTES**.

★ THE REAL TALK

29%

THE TURNOUT GAP

After the Voting Rights Act got gutted, business as usual is **not an option**. In 2022, Black turnout right here in Forsyth County was **29% behind** Anglo turnout. That's not a small gap — that's silenced voices and decisions made without us at the table. **We're flipping that script. Together.**
